Brett and Phillip,
So sorry to hear about your mother. When I think of Ms. Lucille, I am fondly reminded of my childhood on Farris Drive. I can visualize your mother, my mother (Shirley Ricketts), and Lucy Tisdale sitting around your mother's table drinking coffee every afternoon. She was a lady with alot of "spunk" that always had something funny to say.
My thoughts and prayers are with you and your family...Susan

Phillip and Brett,

Sorry about your mother. As best I can remember your mom and your dad were both pretty neat folks.
