“ One of my fond memories as a teenager was when Lawynn and I would take inventory at the store for Albert. I always felt like I was a member of their family as much time as Lawynn and I spent together and they always made me feel welcome in their home. Albert and Ina were both wonderful people. My thoughts and prayers are with each of you.

“ I cannot imagine my life without Albert and Ina Chapman in it when I was a teenager. I adored them both. I moved from Louisiana years ago but have thought of them often through the years and was hoping to get back in touch with Albert on a trip back this summer. My thoughts and prayers are with Gary and his family.
