“ This was my Grandmother a good woman I only meet once. I omly wish I knew her more and the family I don't even know. This woman always sent me Birthay cards that's it. Meant a lot to me! I know she really really cared that's enough for me! I know she was a good woman I just know. Wish I could have been there but as always I got to find it like this. Charles if you ever see this remember you had a good mother just like I did. She's gone now died January 21. 2011 all I ever had don't know what me and Tracy gone to do without her. You did good maybe we will too.
