“ Sister Betty Morace attended Vidalia Faith Tabernacle Pentecostal Church together as I was growing up. She was one of the sweetest ladies to be around. We all felt like one big happy family at that church. I will always hold her dear to my heart. God bless all of her family at this time. May she enjoy her new glorious home.

“ I offer my sincere condolences for your loss . She was indeed a Godly woman. She kept me in check many a day when I would have just as easily pitched a “ real fit “ . She would say “ now , now it’s not that big a deal . See , we worked together in the most difficult of situations. In the hospital at Jeff Davis taking care of the immediate post operative patients . I give praise for having been her friend and work mate . ❤️
