“ Uncle Jackie was the sweetest kindest man ever. He was always smiling and loved his family and all who came to visit . An avid hunter and took care of his family by hunting and fishing. He was married to my mother's twin sister and he was so fond of my dad. Times were best when we were all at their house for family reunions. Love you Uncle Jackie!

“ Jackie Cowan was one of the best men you could ever want to know. He was a great uncle also. I never heard him raise his voice and he loved his family dearly.
He will be deeply missed by us here on earth, but in heaven he is the happiest because he is with his dear wife Aunt Bunch. I'm proud to have had you for an uncle, and may you RIP until we meet again.
All my love,
