“ I first met Dianna when she 1st came to work at Optimal Home Health. During her time here in California, she became great friends to many of us. One Halloween she & her mother made dalmation costumes for 8 of us and she was Cruella De Ville. She led her dalmations through our 2 story office that morning as we sang, "Who let the dogs out?" Of course we won 1st prize. Or the time several of us decided to redo the spare bedroom for Joanne & made it into a nursery for her new baby. We ended up redoing the entire house & cleaning Joanne's garage! It took us months of weekends. Hours & hours of fun. Some Friday nights Dianna & some of the girls would stop by and we would have pizza & girl talk. So many more memories we all have of her. All of her friends in CA are missing her deeply. "Martha Stewart" (as we nicknamed her) love ya & miss ya.

“ Rick,
*I would like to express my sincere heartfelt sympathy and to let you know that my heart is saddened today by your loss. The pain must be unbearable, but remember that the Lord is feeling this pain as well and he is there with you.
We are asking GOD to help you and to give you the strength to pass this difficult time.*

LIFE...so fragile. LOSS... so sudden. HEART...so broken

"Those we hold most dear never truly leave us..."

May time soften the pain until all that remains is the beauty of the memories... and the love, always the love.

We are never prepared for the loss of a loved one, but God is always prepared to help us through that loss. May His presence begin the healing in your heart and soul, and may His love surround you with the comfort only He can give.

*Your friend
John*

“ Not only such a shock but such an incredible loss we are all having her in california at Optimal. She was a incredible loving person who cared about everyone and mostly her family and her dog. I am so glad I got to see her when she came back to california the last time. I will never forget her she has touch my life permanently. I have continued to pray for all of you in the days ahead that God will surround you all with his mercy and grace and strength to overcome. She left us too young but will remain in our hearts forever.
