“ I would like to send my condolences for the family of Donna Kaye Hill. Revelation 21:4 gives us hope for the dead where it says, "And God shall wipe away all tears from their eyes; and there shall be no more death. . ."

“ Having known Donna, and her parents since 1984, I remember Donna as a teenager. She was full of energy and stood up for what she thought was right. She loved both her parents deeply but didn't mind telling them when she thought they were wrong. She was strong willed but not pushy. May she find peace now that her suffering is over. Be strong, Randy and Amanda--that is what she would want.
