“ My deepest sympathy go out to your family during this time of sorrow. The death of a love one is very difficult. Therefore, I'd like to share scripture that may help. Please, read John 6:40, 44.

“ Dear Beloved Family of Frances,
We cannot express how sorry and saddened we feel for all of you. All the RMC staff who cared for Frances wanted so badly to keep her here. It came to mind this may have been a selfish request especially if her passing means she would be spared the suffering of cancer. If this be the case, thanks be to God for His mercy. Frances will be missed and remembered for her kindness to everyone. She truly had a good heart and soul. May you stay close to God and help each other through the difficult days ahead. With much compassion, Diane Martin, on behalf of the Surgery Crew, & the RMC Family

“ I am so sorry to hear of your loss. I was shocked to hear of the news today. I first met Ms. Frances when my children started going to see Dr. Bonomo. She later became a valued Avon customer. She was a very loving and caring lady and it won't be the same walking into the office and not seeing her smiling face. She is in a better place and is smiling down on her family and loved ones.

“ Uncle Gordon - We are so heart broken to hear of aunt Francis' passing. Our thoughts and our prayers are with you, Tommy, Amanda, and all the family. She was loved by many, but more importantly, she loved God. And we can rest assured knowing she is now basking in His presence. This world was not her home, she was just passing thru, but we can find comfort in knowing that she is home now, free from the pain and the worries of this world. We can also find comfort in knowing when our journey is done, we will see her again. Look to God and he will see you through.

Psalm 121:1,2

1 I lift up my eyes to the mountains—

where does my help come from?

*2 My help comes from the LORD,
the Maker of heaven and earth.*

*We Love You,
Paul and Anita*
