“ I am so sorry to hear of Fritz's death. Growing up in St. Joseph, Fritz served as my dentist through my college years. I always loved talking to him about hunting and some of his exploits with Jimmy Woods and others. When Dad (Robert James Lancaster) would have to go to Ferriday to get cattle medicine from Dr. Joe Price, we would usually stop by and speak to Fritz. He was always so kind and friendly. You have my most sincere condolences for the loss of a very fine man.
