“ *It's hard to say what was my favorite memory of Aunt Gail, (I have so many) but one I remember so much is my 16 th Birthday party at her house. She opened up her house to all my friends but the party ended up with half of Ferriday and Vidalia there. It was a little bit out of hand to say the least. Thank you Aunt Gail for always being a second momma to me. I always felt safe with you. I will miss you dearly.*
