“ He will forever be missed, forever be remembered and mostly forever loved.

He was so good to my family, especially my Mom. He treated my girls like his. He was an inspirational family man. He was as generous as he was kind and very soft-hearted.

He was a great cook and loved to cook for his family and friends.

I will miss our coffee time on the porch and our conversations. I will miss his opinions and advice. He was loved and admired by all who knew him. I will sorely miss my friend!
