“ I am very saddened by Mr. Comer's passing. He was an awesome person. I had the priviledge of working for Mr. George, and he was great to work for. I enjoyed every time we had the chance to get together and visit. He had a very good wit about him, that could brighten your day when you were down. I consider myself very blessed to have known Mr. George, and also very thankful that he was my friend. My sympathy goes out to all his family, as I know that he will be missed.

“ Carolyn and Von....so sorry to hear of your Dad's passing. He was a
wonderful man. If you recall, I worked for him the summer of 1964,
doing everything from helping in the insurance office, going on
ambulance calls, and helping with the services. He was always kind
and always had that smile on his face. He will be missed by the
entire community.
