“ A great man and a friend. I will miss his visits with us here at Eddie's Marine. We had many great conversations. I rode many storms out under his porch at that old camp house at Fairview Landing. He would laugh when he pulled up and I was hunkered under the porch with lightning pooping all around. He would go down, jump in his boat and head to the river with lightning popping all around. God Bless family and friends.

“ We knew "Santa Claus" from Fairview Landing. He was a very nice man and our kids enjoyed seeing him and seeing what he caught. Your family is in our prayers.

“ Polly & Sharon & Family I am so sorry to hear about your Dad. We will keep you all in our prayers. I can't say I know how you feel but when the time comes I am depending on God to have my back. Because he is the only thing we can depend on to get us through times like these. You all just remember God is on your side and he will see you through these trouble times. My love and prayers are with you all. Carrie
