“ Uncle Horace always had a story or a joke to tell. He was the kindest of men and his heart was pure as could be. He would do anything to help if he could and loved his family and his animals. I can member years ago when my son devin was a baby, going to see him and him showing me all his rabbits and he was always such a happy sole. He is now with Gma Mattie cooper and Gma holland. I hope he fills heaven with as much love and laughter as he did our lives. Love and miss him dearly.
