“ *Shelly, Little Jerry, and all of the Barnes family, I am so sorry for your loss. Jerry was one of the best persons I have ever met! He help me so much when I started at Corrections, don't exactly know what would have been my out come, if it wasn't for Jerry. He became my friend, as he was everyone else's friend, because he never met a stranger. I also know he had a wonderful family, that will miss him so, we all have a large hole in our hearts now! May God bless you all and hold you close at this difficult time.*
