“ *My Aunt Corinne was my most favorite person,ever! When I was a little girl, someone would ask my name, and I would say"Corinne". when I would go visit her she would always smile and I would say I love you and she would say "I love you 2" it's hard to imagine our lives without her and my dad. They're all gone now. I really hope they got to see their mother, daddy talked about her all the time,so I know Corinne was feeling Tet and home. I will miss her, I loved her so! What a wonderful angel in Heaven now!  
P S anybody close to Grandmother knows who "Tet" was!*
