“ My deepest condolences are extended to Mrs. Sue Peace's family for their loss. I was Mrs. Peace's next door neighbor from the time I was two until she was moved into a home for medical care and have so many wonderful memories. Although the age difference between us was great (she was my junior high teacher) we shared a friendship like no other because we both loved to tell great stories. I've always missed hearing her old truck fire up at exactly 7:15 every morning for school, seeing her and her biddues walking around the block and talking about SIHS football. Mrs. Peace was a wonderful neighbor, teacher and friend. I hope it brings warmth to the family to know how many lives she has touched.
