“ Even though Myrtis (Kat) and I hadn't seen each other in 24 yrs. when we talked on the phone it was like we never missed a year of seeing one another. She was always in my thoughts and will be forever in my heart!! In our teens we shared alot together, April being one of them...my beautiful godchild. I loved her sisters like my own...Dorothy Nell, Sissy & Rita. I have so many special memories with all of them. I'm so sorry for ya'll loss & I pray that ya'll will find peace in ya'll special memories of her too!! I love you, Myrtis Katherine...until we meet again I will never stop thinking of you.
