“ Dearest Dood and Ernie, I'm very saddened by the loss of your beloved Mother, my dear Aunt Naumie. I wish I could've come for her services, but am not able to attend. Please know that my thoughts and prayers are with yall at this time. She always made me feel so loved and always had an infectious laugh and smile ! She taught me so many things that I will never forget. Like how to cheat making chicken and dumplings, how to put up figs, that it's okay to get older and still dye my hair, :) things about my/our family history and much much more !! My heart is aching so, knowing I will not see her smile and feel her loving hugs again in this world. I'm truly gonna miss her. ALL my memories of her are so sweet and loving. One of my favorite memories is I believe it was the last time Renee, Michelle and I spent the night at her house and it was late in the evening we are just sitting in her living room and she gets up and puts on some music and just went to dancing around like there's no tomorrow, talking about when she was a young gal, laughing with a twinkle in her eyes. I will never forget her comforting voice. Know that I LOVE YALL so very much and thinking of you both with much sorrow in my heart. I pray that Jehovah wraps you in his loving arms and eases the pain I know you are feeling. My Love and Admiration Always, Retta Lynn
