“ *Uncle Punk, What an outstanding Uncle you were, not only to me; you, however have touch the lives of so many. Afterall, that is what we are to do while we are still on this earth, touch lives, leave our own legacy for others to experience. Jesus is ready for your arrival and I know your strength, wisdom, love and mercy for the all will be shared in Heaven as you shared all these things and more with every single person you came in contact with. Cindy Bass loves you and I can't wait to see in when it is my turn. Love you.... Cindy Bass*
