“ Red, my heart breaks to hear you're gone. I had a feeling when I couldn't reach you. After all these years, after a lifetime of not being brought up as closely as some half siblings are, we were lucky enough to connect these past few years. There was so much more I wanted to know about your life, about your childhood, and the life you shared with Dad and your family. You were going to send me a picture of your mother. I'm sure she is happy to see you again. Thank you for the stories you cared enough to share with me. I'll keep them close to my heart. I miss you and I'm so sorry we didn't have more time. Your loving sister, Trudy Jones-Simms, Hopatcong, NJ.
