“ I am sorry to learn of your family sorrow. The death of a loved one is painful. If I may, I'd like to share scripture found in your Bible that may comfort you in some way. John 6:40 reads...For this is the will of my Father, that everyone that beholds the Son and exercises faith in him should have everlasting life, and I will resurrect him in the last days. You see, according to this promise, we have hope.

“ Bucket broke me out in the oilfield many years ago. I liked and respected him very much. My sympathies to the family.
