“ There is a place I've never seen beyond the world we know, A place I've only heard of but someday hope to go. It's not on any map, there are no roads to take me there, But it's a place of perfect peace where hearts are free from care. And though I understand some may be sad when I leave, one day we will all meet againthat's what I believe. When it's time to travel there I think I will wear a smile. I will say goodbye to those I love but only for a while. Knowing there are others who traveled there alone. Who can not wait to greet me and whisper welcome home. May you find peace in the thought that Riley is always there.

“ My deepest sympathies to you, and your whole family. I know you through social media, but your love of your sons was always forefront for all to see, and Riley was the focus of it daily. I could tell he was a special, loving son, whose mother put her whole heart into caring for him. It showed in the pictures you shared of his life, and he always had the biggest smile.

Heaven has a new angel.

“ Cathy I have no words..my heart is broken and I just want to say that Riley was my kids best friend and we all go to miss him so so much!! Now, he is an angel and I'm very sure that he doesn't want to see us sad. He was a very energetic little boy, he was the best help my daughter had in her quinceañera event, he was always there helping..we all have a lot of memories at the Churchill Park Pats in San Antonio. Please receive a big hug from me and my husband at the distance, from Pedro and Rosa my kids, from Leo, Edwin, Juanito, Sara, Keyla, Chuwaka, Roger, Dunky, and all the quinceañera court kids. He will be always be remembered as the awesome kid he was. HUGS

“ *Please know that my thoughts and prayers have been and will continue to be with your family. I am sorry that I never met Riley, but just seeing the pics of all of you together I know he was happy and loved. The one thing that has always stood out to me was the fact that I can't ever recall seeing a picture of him when he was not smiling. That says it all!*

“ I got the priveledge of finding my misplaced family some years ago and was happy that my father William Bentham (you share a middle name :) was able to come and visit with the family! You and I got to speak a few times via facebook and you were sweet and warm and everything a southern gentleman should be. I am heartbroken that you are gone because I didn't get the chance to meet you in person, but I feel like you are in good hands with your wonderful grandparents and your great uncle Bill :) I know you are going to make an amazing angel!! I pray for peace and comfort for your mom and your brother during this time and all of the family..and I pray for God to give Kelly strength to help your mom while she is grieving for you...All of my love and prayers are being sent out on the wind for you and the family...god bless you Riley and God speed little man! Love your cousins in California!

“ My dearest Kelly and Kathy, I can't begin to imagine what you are experiencing. Having never met Riley in person, I feel I did know him through Kelly's FB posts. He seemed like such a vibrant, very happy little boy. What a blessing for him that he was Abe to enjoy his time with the two of you as a family. Those memories will live in your hearts forever. I will continue to lift all of you up in prayer for God's grace to be with you through this most difficult time.
