“ To all the family, I am so sorry for your loss. Prayers and Thoughts are for you all. The only comfort we have is knowing where Deannie is. I'm sure heaven was brightened when her beautiful smile entered that city. They may have had to enlarge the Throne room for all that dancing up there. I'm sure she and my mamma (Bobbie Jean Metcalf Skipper) is dancing and praising The Lord. People have said for years that the Lords return is near. But as this old world gets worse. I believe that his return is right around the corner. And the sooner we will see our loved ones is right around the corner. Love you all bunches. Carrie Skipper King

“ LaDean was one of the most genuine people I've ever known. She was so kind and always had a smile to give away. Every time I saw her we would always have a laugh over something. She brought sunshine to a dreary day. She will be missed so very much by everyone. May God be with her family in this time of need. I pray for God's comfort and his healing to be with this family.
