“ Tommy ~ we did not know about your Daddy until after the fact ~ we would have come in for the funeral if we had known. Please know our thoughts are with you. I cannot look at my beautiful desk you made for me out of Grandma Butler's bedraggled pump organ. It has always been a very precious piece of history that I'll always love. You did such a beautiful job of restoration and giving it a new life.

We are living on Lake Sam Rayburn, TX north of Jasper. We have a place in Waterproof where Byron hunts ducks (when we have 'em) and deer.

“ *Mrs. Ollie Rae and Family,
Please know that we hold you before our Lord, during this time of
loss of your loved one.
There are many memories of your family woven in our
tapestry...Monclova years were very special.
May God's richest blessings be yours and may God continue to
mold us and make us to be more like Him.*

“ *I never will forget the first time I saw Thomas - I married and moved
to St Joseph in 1985 and was working at Farmers Home - He came
in and I thought I was looking at my grandfather - Clarence Cavin -
(Hattie Rabbs brother) He reminded me so of my grandfather,
especially those beautiful blue eyes. He always made me feel at
home in Tensas Parish over the years and will be
forever in my memories.*
